SMALL BUSINESS OWNERS.

Thanks to The UPS Store,[®] my custom-made pies got a custom solution.

Sandy Poehnelt, Owner of the Right Slice in Kauai

"Can you ship one of your Paradise Pies to the mainland?"

While I was flattered when I first heard this question, I really didn't know the answer. So I went to The UPS Store.

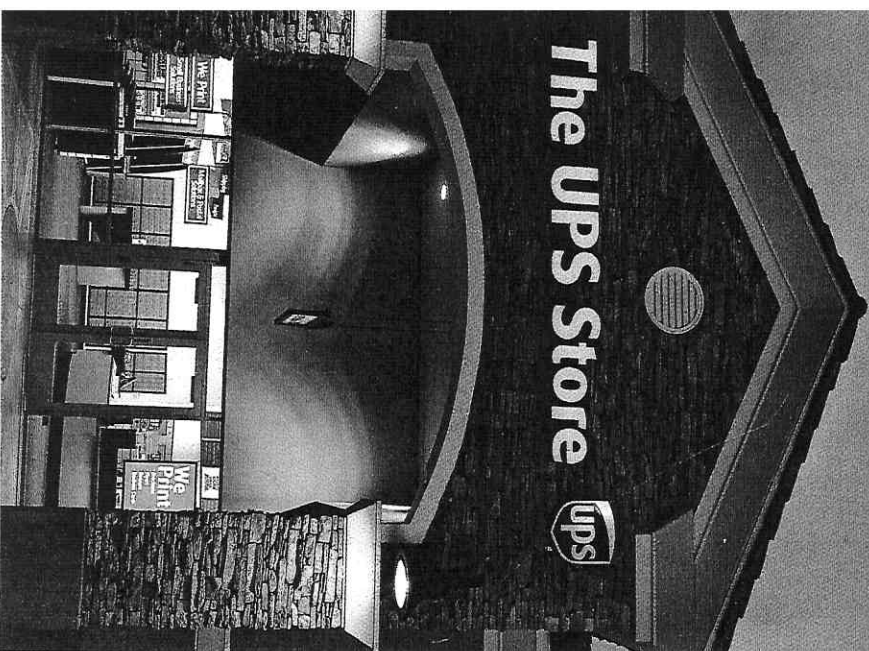

The people here understood that my handmade pies were a unique item. And they were willing to create a custom solution to get them to their destination safely.

It's sure nice to know my shipments will be arriving as pies, not cobbler, thousands of miles away.
